

WILDLIFE PRINTS

Support one of Britain's most endangered species, the black grouse, with limited edition prints of British wildlife from Wildlife and Sporting Prints.

These high quality prints come from some of the UK's leading wildlife and sporting artists.

The Giclée printing process produces museum-quality reproductions of original art. Print runs are strictly limited to 20-75 prints and all prints are hand inspected and signed by each artist.

For every print sold, a donation will be made to the Game Conservancy's Black Grouse Recovery Project. Prints, priced between £95 and £295, are available to buy online at www.wandsprints.com or a brochure can be ordered by telephone from 01666 511811.
