

**Wildlife and sporting prints**

**Wands Prints, £95 to £295**

Wildlife and Sporting Prints are high-quality, limited edition Giclée prints from the country's top wildlife artists. Unlike other "limited editions" with runs of 500 to 1,000, editions are limited to 20 to 75 prints. The range features works by Ben Hoskyns, Jonathan Pointer, Steven Porwol, Owen Williams and Tim Hayward; original paintings by these artists command prices of £1,000 to £20,000. For every print sold, a donation is made to the Game Conservancy black grouse recovery project. Prices are subject to print run and size.
